Damaris & Mindy,

Attached are the TPs for Lee's ERBA meeting. We used as a base the same TPs as last year. For WOTUS, I believe Brian reached out to a few folks. Upon no luck, he used the desk statement to update the WOTUS section. I see there are now TPs available for WOTUS. I'm not sure which set you want to use. Please update this doc and resend to all by COB today. At that time, we will need to share the doc with Stacey at Army so that they can see what Lee's points are and we will see Ryan's notes. Following are the next steps. Let me know if you want me to do step 2 or 3.

Next Steps:

1. Mindy/Damaris update attached doc by COB today.
2. Brian to send to Army and request Ryan's notes.
3. Mindy to send to Antonio.

Thanks all!

Attached are draft TP's for Lee for ERBA next week. Let me know if you have any questions or need something different. The content is largely the same as last year except for WOTUS – this was updated from the latest desk statement on WOTUS.
